## MAKE A WISH

It was Mina's birthday again, a day of colleague giggles and gaiety—for two hours, anyway. The entire office staff, sans yours truly, would be taking an extended lunch break to celebrate at her favorite restaurant.

They did this shit for everybody, even me. With the exception of my birthday, I always volunteered to man the ship in their absence. The higher ups at corporate headquarters were strict about this sort of thing. At least one staff member had to be inside the building during working hours.

No exceptions.

Truth be known, I loved the rule . . .

It gave me a legitimate excuse to skip the dull soirees in favor of a much better party. The idea of lunching with my coworkers, singing, and clapping as the birthday girl or boy blew out the candles on their crummy cake made me cringe.

Having them out of my hair for a whole two hours was pure paradise. Funny thing is, my colleagues thought I was making a major sacrifice, taking one for

the team and whatnot.

Boy, if they only knew!

They had been gone all of ten minutes when I left my desk and locked all the doors. Then, my excitement mounting, I took the stairs down to the basement to meet Sakura.

Her space was a combination supply room/lounge. When Sakura wasn't pushing a mop or emptying trash, she could be found relaxing on a threadbare loveseat watching her beloved daytime soaps.

But today—well, today would be different.

I entered Sakura's lair to find her eagerly awaiting my arrival. "Are they gone?" she asked with an

expectant smile.

"Gone," I replied.

Sakura's beautiful brown eyes regarded me with hunger. "I just love birthdays."

"Don't we all . . ."

While Mina ate her lunch and prepared to blow out her candles, Sakura proceeded to blow something else . . .

I sat there on the threadbare loveseat, lovingly stroking her long black hair as she devoured me. Sitting beside me, her head pumping in my lap, Sakura's lusciously full lips slid up and down my pole.

## THE ALLURE OF ASA...

It's not often that one runs across an excitingly beautiful woman who isn't afraid to indulge in sex. Asa is one of those women. Pure magic when she is nude, and pure animal when she is fucking. I've had the pleasure to watch almost all of her video exploits and I am totally enthralled.

—Lawrence, Las Vegas

the fields as a lettuce picker. Years of hard manual labor had kept her nice and trim. There wasn't an ounce of fat on Sakura, save for a little bit of padding on her ass, which only increased her desirability.

She withdrew her mouth

her soft cheeks, squeezing that spectacular ass of hers. This had the desired effect. Almost immediately she found a different gear, upping her pace considerably. She bucked and bounced, slamming her pussy down with authority.

from my lap and hopped off the sofa, standing there before me in all her glory. Her tits were smallish B-cups, firm and perfectly shaped, capped with dark brown nipples.

Those nipples were erect, betraying her arousal as she straddled me. Grasping me with her hand, Sakura lowered her hips and skewered herself, groaning delightedly as her tight cunt yielded to my stiff member. She froze for a moment, remaining perfectly still, her chin resting on my shoulder. I could feel her breath on my skin.

Sakura moved her hips slowly, grinding and gyrating. I reached around with both hands and grabbed

I resisted the temptation to thrust, knowing from experience that Sakura preferred to ride a stationary cock. Still, she had no intention of finishing me off in this fashion; this became clear when she hopped out of the saddle and returned to the sofa.

Sakura lay there beside me, her legs spread, her cunt lips peeking through a tangle of wiry black hair. I went down on her, licking and lapping her pussy until she begged me to fuck her.

"My pleasure, Sakura," I said, pressing my glans against the moist entrance to her cunt. I entered her with a single thrust, sinking my cock all the way to

its base. Then I fucked her, hammering her hole with everything I had. Thankfully, it was enough.

Sakura cried out, her body spasming beneath me as she came. Her response set me off. I withdrew, planted one foot on the floor, and positioned my cock above her chest. By the time I was finished, her tits were coated with my cream.

My colleagues returned soon enough, clueless as to what had transpired in their absence.

Sakura and I aren't looking forward to the next staff birthday. That would be mine, the one extended lunch/party I can't get out of. Thad typically volunteers to stay at the office on my special day.

And, no, I'm not worried about Sakura and my colleague getting it on. Thad's a prematurely balding lard ass with bad teeth!

## OUTCLASSED

"And remember," Keiko said, pushing open the bathing doors, "we're to go the extra mile with this fellow. Pex wants his reflexes slower than molasses . . ."

"Gladly," Aiko said with a smile. "Get a look at him, will ya? Why, he's the best-looking thing that's blown through this town in months."

Keiko regarded her partner in crime with a frown. "Now don't go falling in love, Aiko. This here is a serious mission . . ."

"And a fun one at that!"

Aiko exclaimed.

The two girls had been handpicked by Pex himself, plucked from Madam Asami's House of Pleasure with a fat roll of cash the feared gunslinger had won last night in a poker game.

Keiko and Aiko were the cream of Madam Asami's crop, a blonde and brunette, respectively. The two young ladies were always in high demand. They commanded high rates for their services, contributing greatly to Madam Asami's successful enterprise.

They made their way through the crowded saloon, homing in on their mark, the tall stranger seated at the end of the bar. The stranger had ridden into town that afternoon. After securing a room at the hotel, he had boarded his horse at the livery then gone straight to the saloon where he had been drinking ever since.

Any other man would have been blind drunk by now. But the stranger wasn't just any other man. He could hold his liquor.

And handle a gun . . .

Scores of challengers could have attested to this had they not been feeding worms six feet under.

Pex didn't take kindly to the stranger moving in on his territory, his town, hence his hiring of Keiko and Aiko; this after he had challenged the interloper to a quick-draw duel. The girls had been given explicit instructions to ride the stranger hard, so hard as to render him useless for

tomorrow morning's faceoff.

A tired gunslinger, Pex knew from experience, was a soon-to-be very tdead gunslinger.

The window was open to the fresh night air. Still, the stranger's room smelled of sweat and sex, its hardwood

fat cock battering Keiko's ample ass . . . Aiko playing with her hairy poontang. A wry smile creased his weathered features . . .

"Compliments of Madam Asami," the girls had told him at the saloon. "A freebie, huh?" he had shot back. Of course, he had

floor strewn with clothes.

Keiko, the bigger of the two girls, had assumed the doggy position atop the fourposter bed. The stranger drilled her from behind, plunging his big rod into her pussy. Aiko sat in the room's only chair, one foot on the floor, the other hiked up beside her splayed cunt which she diddled with frenzied fingers.

The stranger's gaze ping-ponged between the two alluring spectacles, his

smelled a rat. The stranger was no dummy. But he had decided to play along. Afterall, free pussy was free pussy.

Now Keiko cried out as he made her come, undoubtedly disturbing the other guests in the hotel. He pulled out, dropped from the bed, and profffered his glistening cock for Aiko.

Still masturbating with one hand, she used her other to stroke the stranger,

pulling and tugging with impressive skill.

"Get up," the stranger told her. "Let's you and I trade places."

"Sounds fun," Aiko said, complying with his order.

The stranger sat in the straight-backed chair, his plump peter pointing north. "Ride it to your heart's content," he said.

Aiko straddled him then lowered her slender hips. Wrapping her fingers around his shaft, she dropped into the saddle, impaling herself with a single deft movement. She rode him hard, bucking and bouncing on his man meat. The stranger remained fixed in the chair, content to let her do all the work.

"Get over here, Keiko," he said moments later over Aiko's shoulder. "I've got something for you . . ."

The babe slid off the bed and walked over, her massive jugs swaying as she crossed the room. Aiko rocked her hips faster and faster until she came. Having satisfied both girls, the stranger was ready to get off.

No instructions were necessary. Keiko and Aiko were experienced professionals; they knew exactly what he wanted.

The stranger rose from the chair, standing there before them as they crouched on the floor. The girls did a fantastic job, servicing his cock and nuts with their talented mouths. They gave sloppy head, just the way he liked it, bringing his ball sauce to a good and proper boil.

Grunting upon release, he exploded in their faces. Keiko and Aiko took his generous load, smiling through the cum which coated their features.

It was almost two when the girls put on their clothes and made to leave.

"Be sure to thank Madame Asami for me," the stranger told them with a wink. "Her generosity is greatly appreciated."

"Count on it," Keiko said.

"We definitely will," Aiko added.

Alone in his darkened room, the stranger sat at the open window, struck a match on his bootheel, and fired up a cheroot. "And thank you, Pex," he muttered. "See you tomorrow."

The stranger had only gotten three hours of sleep, but it hardly mattered. Pex was outclassed. And deader than horse dung; he failed to clear leather before a bullet from the stranger's .45 punched a hole through his forehead.

A collective gasp spewed from the onlookers flanking both sides of Main Street. They beheld the stranger and his smoking gun with equal parts awe and fear. As for Keiko and Aiko—well, they felt insulted that their night of debauchery with the gunfighter had failed to tucker him out.

At first, anyway . . .

Then they felt horny and wet and determined to fuck him again.

Free of charge, of course.

## ariel

Lloyd finally got Ariel to go on a date with him after several tries. While on the date, she told him how she was going to ravage his body. He couldn't resist and went home with her. Soon after, she sucked him, and he fucked her; and the two really enjoyed themselves.

***I THINK I GOT THIS DOWN PRETTY GOOD***

**888-599-2264**

**MUST BE 18+**

I was working on my fifth tall boy of the night. It was a Friday night, and I was tired. I was always tired. My job was a boring and wearisome piece of shit. That and school was kicking me in the balls.

I was in my last semester of a low-res MFA program. It was a two-year program, and I was ready to be done. I had had enough of the academic writing scene. I wrote short stories. Mostly autobiographical, self-referential stuff. I rarely submitted material for publication. I didn't care. I wrote for me. I wrote to keep from hanging myself.

My creative thesis was a collection of spare short stories tentatively titled *The Nihilistic Cocksman*. I lacked one story to meet the minimum page requirement. I had been trying to bang out this piece for weeks, but it just wouldn't come.

The stress of juggling work and school was getting to me. I was glad I was almost through with the latter. I wanted to be through with the former. I wanted to quit my job, but I liked having a roof over my head. I liked to hide within my rented walls.

And then there was food and gasoline and electricity and water and toothpaste and toilet paper. We were all in the same trap; more or less.

I hadn't gotten laid in almost sixteen months. I wasn't lucky with the ladies. Granted, I didn't really try. For the most part I avoided women. I avoided everybody. I was anti-social . . . hermetic . . . depressed.

People made me irritable and edgy. Still, I was a man with a cock. A certain amount of interaction was necessary if you wanted to get some pussy.

I couldn't handle the bar scene anymore. I had stopped that in my late twenties. Now I drank alone. I liked to sit on my little love seat and swill with the TV off and minimal muted lighting. I used alcohol as a psychological dimmer. It in tandem with solitude was my savior. Hell was sobriety and a roommate.

I jerked off about twice a week. I had learned to be content

with this. It's the little things. Cold beer. A cheeseburger. A satisfying bowel movement. A good song on the radio while stuck in traffic.

As much as I valued these things, I was getting a little restless. I was thirty-nine. I wondered if I could even get a woman anymore. I didn't know where to go. I had no concept of the local singles' scene. And most women my age had too much baggage. Ex-husbands and boyfriends; cats and kids.

I wanted to get in and get out. I viewed pussy as a kind of recharger. My battery was low. I needed a good jolt to set me up for my final surge to graduation.

Paying for sex had become more and more appealing to me. It wasn't a moral issue, not for me. Possible incarceration was my deterrent. I didn't want to appear in court. I didn't want to pay a fine and attend mandatory john school.

But anything worthwhile involves risk. Sometimes, a man needs to stretch himself. I took a hit of beer and booted up my laptop. I went to an escort site I had perused with regularity.

Each girl had a link with a photo or two. I wanted a girl who did outcalls. I didn't want to go to her. I wanted her to come to me.

There was this hot redhead with freckles. She called herself Jessica.

Sweet Sexy Seductive Asian . . . Korean descent with long legs to wrap around you. What are U waiting 4? Call Me! 555-295-2673. . .

I called. It rang three times before an automated voice said the mailbox was full. I clicked off, took another hit of beer. Then my phone rang. I looked at the number. It was Jessica.

"Hello," I answered.

"Hey, baby, what's up?"

"Is this Jessica?"

"Yeah, baby."

She sounded like she was in a hurry.

BLAIR-NTS-00

I said, "Hey—yeah, well—I was wondering if maybe we could get together."

"You got three hundred?"

A short pause.

"I got three hundred," I said.

"You do, huh?"

"Oh, yeah."

"You're not a cop, are you?"

"No."

"What do you do?"

"You mean, like, my job?"

"Yeah . . ."

I told her I was in grad school.

"You promise you're not a cop?"

"I'm not a cop," I told her.

Pause.

"I can come right now," she said.

This caught me off guard. I had expected some kind of waiting period.

"Arbor," I said.

"Lake Arbor?"

"No, just Arbor."

"Oh."

She told me to stay on the line while she backtracked to my place. I reeled her in.

"Step outside where I can see you," she said.

Phone in hand, I stepped out onto the landing and waved. She was in a champagne SUV. She whipped it into a slot. I went back inside and waited.

Jessica was tall and built, early to mid-twenties. She had gained some weight since the photo, but nothing major. Her clothes were a grey cotton party dress and heels. She had nice legs and big hips and small tits. She had a great smile and fraven hair and long legs.

"Sorry I was so paranoid, baby," she said, "but some of my friends got busted just this week."

"No shit."

"Yeah, it's fucking crazy."

"Cool," I said. "Yeah, definitely. Let's do it."

Jessica asked for directions. I gave her directions. She said she lived in the area; not even five miles from my apartment. She said she was on her way.

"But wait," I said, "I've got to go the ATM."

"Hurry, baby, I'm walking out the door."

I put on my sneakers, grabbed my wallet, and drove to the convenience store on the corner. The ATM charged a three-dollar transaction fee, but my bank was too far away. The cash was dispensed in twenties. I started to leave but figured I had better get some more beer while I was there. I got another six-pack. The lady told me to have a good night. I told her to do the same.

I got back to my apartment and the phone rang. Jessica was lost. She was actually calling from the store I had just left.

"We just missed each other," I said.

"I thought you said turn on Lake Harbor?"

My apartment was a mess of stacked books and manuscripts and magazines. The carpet was filthy. I didn't own a vacuum cleaner. I infrequently borrowed one from the guy who lived beneath me.

Jessica put her purse on the table beside a draft of my thesis.

"I am so glad you called," she said. "I'm broke as shit."

"I am too," I said. "Now."

Jessica laughed. She sat on the loveseat, and I walked over and handed her the money. She counted it.

"You want something to drink? Beer? Soda?"

"No thanks," she said.

I unfolded a lawn chair and sat down. Jessica kicked off her heels. She spread her legs, giving me a nice view of her yellow cotton panties.

"I was on my way out the door when you called. I almost didn't call you back. I'm dancing in New Orleans tonight."

"Wow."

"I've got to get down there by midnight."

I told her I had never called an escort before.

"Never, huh?"

"This is my first time," I said.

"Why did you pick me? Because I'm fucking hot?"

"Yes."

Jessica got up and put the money in her purse and pulled out a condom. She ripped it open with her teeth, spitting the wrapper onto my thesis.

"You ready to fuck me, baby?"

I stood, shucked my T-shirt and shorts, then dropped into the lawn chair.

hands until her thighs pressed against her stomach. I tried to go slow, but that didn't work. I tried to pace myself, but that didn't work. I couldn't. It had been too long. I gave up and went with it. I fucked her frenzied and fast, and shot my jizz. It was over in less than a minute. I rolled off and lay there beside her, staring at the ceiling.

Jessica went to the bathroom and closed the door. The toilet flushed. I heard water running. She came out and I went in and tossed the creamed condom in the wastebasket with the used tissues and floss picks.

When I came out, she was slinging her purse over her shoulder. She was clothed and I was naked.

"I'd love to stay and chit-chat," she told me, "but I've got to

"Come on," she said. "Don't be shy."

I took off my underwear. Jessica applied the condom with her mouth.

"It's been a long time," I told her. "I'll probably come in fifteen seconds."

"Just relax, baby."

She knelt between my legs and gave me a blowjob. I stared at her toned arms and shoulders. I played with her hair. She picked up the pace, started sucking more aggressively. She emitted a garbled moan.

Jessica had me primed. She pulled the top of her dress down. She had big nipples. I played with them while she stroked my cock with her hand. This went on for some time before she got up and went to the bedroom. She sat on the old twin mattress and removed those yellow panties. Then she lifted her dress and spread her legs.

I stood there at the foot of the bed and stared at her cunt. She was shaved. Her pussy lips were brown and puffy and wet. I sat down beside her and rubbed her moist slit, sliding two, then three fingers inside her.

Moments later, I moved between her thighs and guided it in and started humping. Jessica pulled her legs back with both

get down there and make some money."

"It's okay. Don't worry about it."

"I had fun."

"Me too," I said. "I hope everything goes well in New Orleans."

"Call me again," she said.

"I will. And drive safe."

We hugged but didn't kiss. She left and I closed the door.

I stood in the middle of my dirty kitchenette and regarded the little shriveled worm between my legs. Shrinkage, I thought. Then I opened the fridge and grabbed a beer. I cracked it open and took a hit. I didn't know what to do.

My paper wasn't going to write itself. I went over to the table and looked at the ripped condom wrapper atop my thesis. I picked it up, put it down.

One more story. 75-page minimum.

I sat on the loveseat with my laptop and opened a blank document. The computer warmed my bare thighs. I stared at the white screen. The black cursor blinked.

I took another hit of beer.

Then I wrote –

I'm laying on the sofa trying to get better from a bad cold. I always turn to my toys for relief from the fever. The passion and lust builds as I turn to my plastic lovers to cure me of the blues. After a fun fuck of my pussy and ass, I always feel a whole lot better.
